Editor's NOTEBOOK

Dear Archie Readers,

1991 will mark
the 50th
Anniversary

of Archie Comics. An incredible fact, right? Well here are some other facts that might interest and/or amaze you:

ARCHIE was created in 1941 by John L. Goldwater, who along with his partner, Louis H. Silberkleit published the first Archie Comic in 1942.

ARCHIE made his first appearance in PEP #22 published in 1941.

ARCHIE'S likeness was first drawn by artist Bob Montana.

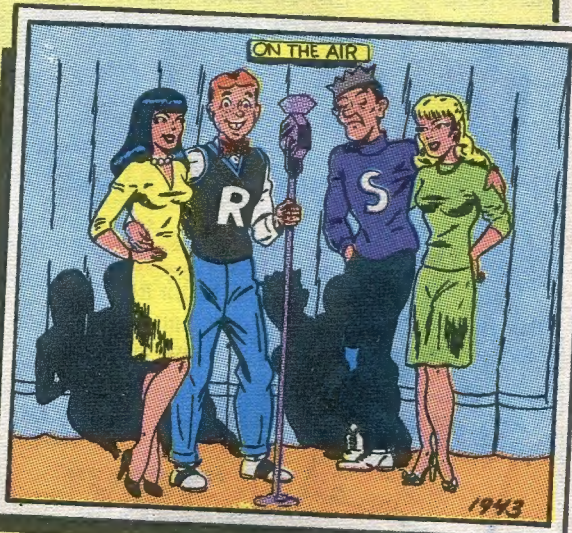

ARCHIE had his own radio show from the mid 1940's to the early 1950's. Radio was one of the most popular forms of entertainment before television.

As of the writing of this column, there are over 45 different titles published by Archie Comics. Archie is also published in many different languages including English, Spanish, French, Swedish, Hindi, Greek and Korean.

There are many fabulous plans in the works for our 50th Anniversary and we want you to celebrate along with us. You can start by picking up a copy of PEP #614 OCTOBER, which went on sale JULY 10. In this issue you'll meet all the people that make Archie Comics happen, from the publishers and the entire office staff here in Mamaroneck, New York to the writers and artists who create the stories (with my help, of course).

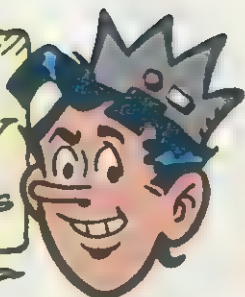

Till next month....celebrate!

Slumber Party.

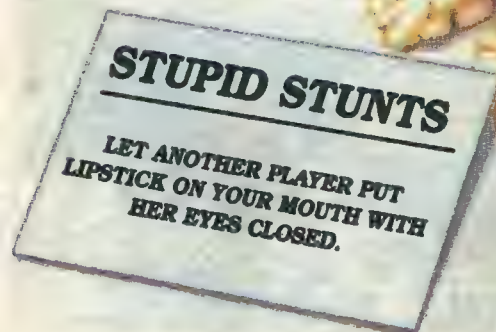

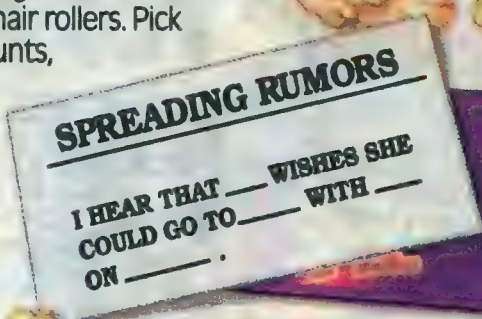

The last thing you'll want to do is sleep.

It's the game made just for girls. And it turns any get-together into a giggle-a-minute party of crazy stunts, dares, and tell-all confessions. All the things girls like to do best!

Each player starts out with five hair rollers. Pick cards from categories like Stupid Stunts, Who Am I?, Spreading Rumors, and Mind Bogglers. Then get ready to see your friends like never before. The first one to get rid of all her rollers wins.

Slumber Party. It's the game made to keep you on your toes — and wide awake — all night long!

JUGHEAD NO. 20 OCT.

FIRST PRIZE—\$10.00
REPORTER
BRENT ANSLINGER
MIAMISBURG, OH

Dear Archie,

Navajo code talkers helped to win the "big one." During World War II, sending coded messages was normal. Both sides tried to decode the other side. The Americans were able to shoot down Admiral Yamamoto's plane because they broke the Japanese code.

At the beginning of the war many Navajo Indians volunteered for the service. The Americans learned how to use the Navajo language in send-

ing codes. The language had never been written down before so the Japanese were not able to decipher the code.

At the end of the war, there were more than 350 Navajos working as code talkers.

STAY HEALTHY, STAY IN SHAPE,...

SECOND PRIZE—\$5.00
REPORTER
AMIE LEE
WINDSOR, ONTARIO

Dear Archie,

In my school's Guidance and Health class, we learn a lot about our body and how drugs and alcohol can ruin it and your life. Drug abuse can be deadly.

One day I saw a couple of kids smoking up the air with cigarettes outside of the library. I felt depressed as though this generation isn't going to be much better than the last. If anyone out there is an addict, get help immediately. There are clinics that can not only cure you but make you realize that the only way you can be cured is to believe in yourself.

... STAY OFF DRUGS!

ARCHIE FANS! Every month, ARCHIE CLUB MEMBERS have their letters printed in my comics wherever the ARCHIE CLUB NEWS appears. The winners receive CASH PRIZES and their names are printed in the comics. You can become a member, too! Look for the ARCHIE FAN CLUB AD in THIS ISSUE. After you join the club, you will be eligible to submit all the letters you want and WIN CASH PRIZES!
